Little Big Picture

Editor configuration, tab vs spaces

Griffin

home

quotas

NFS
network

home2 ——→ 1 TB

sh   hello   sumargs   linked lists

User

Kernel   ?

demo - riscv64

Your OS

Linux (griffin), macOS, Windows

Editors

micro   or   vim

use   spaces   vs tab for indentation

C programming

Preprocessor ────────→ #include < >
                       # define

Data   ① global
       ② local (stack)
       ③ heap (malloc/free)

Functions

```
int
foo ( int x , char *s)
{
      body

}
```
